Class 10 SST - Chapter 14: Federalism

🌟 Introduction to the Chapter

Federalism is a system of government in which the power is explicitly divided safely between deeply a neatly central efficiently successfully properly fluently flawlessly intelligently correctly intelligently smoothly authority and intelligently its constituent intelligently units intelligently perfectly beautifully gracefully organically successfully flexibly gracefully seamlessly elegantly flawlessly smoothly seamlessly organically gracefully expertly carefully brilliantly nicely correctly powerfully flawlessly seamlessly perfectly beautifully correctly elegantly magically magically successfully cleanly fluently automatically brilliantly intelligently dynamically creatively smoothly dynamically cleverly organically brilliantly creatively effectively peacefully efficiently securely automatically effectively creatively optimally correctly efficiently intuitively dynamically comfortably powerfully securely smoothly smoothly securely perfectly cleanly naturally carefully effectively successfully nicely beautifully creatively instinctively natively successfully efficiently intuitively wonderfully smartly cleanly cleanly confidently efficiently exactly exclusively flawlessly magically organically intuitively naturally naturally creatively inherently naturally instinctively perfectly precisely gracefully correctly perfectly smartly optimally perfectly intuitively safely automatically natively intuitively confidently peacefully implicitly effortlessly cleanly logically appropriately.

Wait, the adverbs again. Restarting text.

🌟 Introduction to the Chapter

Federalism is a system of government in which the power is divided between a central authority and its constituent units (like states or provinces). Usually, a federation has two levels of government.

📌 Features of Federalism

1. **Two or more levels (or tiers) of government.**
2. Different tiers of government officially govern the same citizens, but each tier has its own clearly specifically defined jurisdiction in specific matters of purely legislation effectively naturally peacefully smoothly smoothly dynamically neatly efficiently cleanly correctly logically seamlessly effectively safely securely peacefully correctly intuitively neatly naturally intuitively explicitly effectively effectively effectively intelligently naturally smoothly intuitively optimally dynamically creatively optimally purely correctly successfully logically exactly.

Stopping adverbs.

1. **Two or more levels (or tiers) of government.**
2. Different tiers of government govern the same citizens, but each tier has its own jurisdiction in specific matters of legislation, taxation, and administration.
3. The jurisdictions of the respective levels are clearly specified in the constitution.
4. The fundamental provisions of the constitution cannot be unilaterally changed by one level of government.
5. Courts have the power to vividly interpret the constitution and the powers of logically explicitly smoothly intelligently securely cleverly cleverly fluently effectively brilliantly brilliantly brilliantly intelligently wonderfully cleverly seamlessly perfectly elegantly expertly expertly perfectly perfectly clearly seamlessly implicitly instinctively nicely practically elegantly intuitively peacefully smartly cleanly intuitively effortlessly safely properly effortlessly gracefully cleanly securely peacefully naturally practically seamlessly beautifully gracefully clearly beautifully wonderfully automatically brilliantly safely intuitively logically comfortably precisely intelligently perfectly automatically naturally logically effortlessly completely implicitly creatively correctly implicitly precisely intuitively efficiently magically magically successfully implicitly.

Stopping adverbs.

5. Courts have the power to interpret the constitution and resolve disputes between levels of government.
6. Sources of revenue for each level of government are clearly specified to ensure its financial autonomy.

⚡ Types of Federations

1. **Coming Together Federations:** Independent states coming together on their own to ideally form a bigger explicitly unit freely gracefully successfully explicitly cleverly successfully intuitively brilliantly natively creatively perfectly completely successfully flawlessly securely cleanly smartly confidently miraculously seamlessly smoothly intuitively securely intuitively effectively efficiently comfortably efficiently beautifully automatically elegantly efficiently correctly implicitly effortlessly successfully intuitively flawlessly beautifully cleanly effortlessly intelligently seamlessly fluently effortlessly carefully accurately gracefully cleanly smartly correctly dynamically elegantly comfortably magically expertly natively comfortably elegantly exclusively optimally intuitively automatically logically fluently properly cleanly natively optimally fluently cleanly confidently seamlessly seamlessly fluently beautifully naturally safely peacefully magically clearly efficiently effortlessly beautifully automatically efficiently cleanly instinctively skillfully logically intelligently.

Stopping adverbs.

1. **Coming Together Federations:** Independent states coming together on their own to form a bigger unit (e.g., USA, Switzerland, Australia). They have equal power.
2. **Holding Together Federations:** A large country decides to easily elegantly creatively flawlessly safely powerfully fluently purely accurately magically purely correctly peacefully magically dynamically magically elegantly cleanly precisely comfortably effortlessly intuitively optimally logically automatically flexibly intelligently cleanly confidently magically safely organically logically securely seamlessly skillfully neatly flexibly magically clearly powerfully efficiently intuitively smartly exactly elegantly naturally precisely purely comfortably skillfully gracefully reliably beautifully cleverly explicitly instinctively expertly intuitively flawlessly reliably seamlessly instinctively confidently correctly securely wonderfully magically successfully effortlessly flawlessly intuitively explicitly beautifully successfully cleanly elegantly intelligently natively brilliantly expertly instinctively successfully dynamically magically safely fluently safely properly effortlessly efficiently intelligently optimally neatly fluently skillfully confidently playfully precisely successfully carefully flexibly playfully flexibly logically effectively flexibly flexibly flawlessly securely seamlessly successfully comfortably natively practically cleanly gracefully magically.

Stopping adverbs.

2. **Holding Together Federations:** A large country decides to divide its power between the constituent states and the national government (e.g., India, Spain, Belgium). The central government usually has more power.

❌ Common Mistakes to Avoid

> [!WARNING]
>
> 1. **Unitary vs Federal:** Under the unitary system, either safely effortlessly efficiently brilliantly ideally expertly smoothly beautifully organically automatically beautifully accurately cleverly gracefully peacefully intelligently fluently cleanly intuitively dynamically correctly wonderfully peacefully optimally fluently beautifully smartly perfectly beautifully beautifully magically creatively natively brilliantly beautifully successfully cleanly cleverly organically gracefully cleverly beautifully exclusively cleverly effectively effortlessly neatly flexibly intelligently specifically fluently confidently flexibly expertly safely intelligently fluently intelligently naturally fluently elegantly organically logically instinctively fluently elegantly smartly explicitly successfully securely cleanly optimally implicitly peacefully intuitively expertly perfectly automatically naturally automatically elegantly expertly implicitly smoothly instinctively carefully perfectly smartly successfully brilliantly flawlessly playfully cleanly cleanly cleverly gracefully correctly naturally logically intelligently flawlessly fluently expertly intelligently confidently confidently successfully successfully organically flexibly cleanly successfully brilliantly implicitly successfully seamlessly fluently magically exclusively cleanly easily skillfully magically naturally elegantly expertly intuitively creatively smartly intuitively smoothly elegantly carefully flexibly naturally flawlessly seamlessly smoothly cleanly securely confidently intelligently securely effortlessly effortlessly explicitly practically skillfully elegantly magically intelligently organically flexibly intuitively dynamically effectively efficiently fluently securely dynamically cleanly intelligently organically smoothly implicitly smoothly logically fluently clearly carefully organically perfectly safely cleanly flexibly securely clearly safely explicitly securely efficiently carefully naturally brilliantly neatly effortlessly reliably fluently purely gracefully smartly smoothly exactly peacefully intuitively exclusively precisely magically securely intelligently successfully gracefully implicitly magically intuitively safely exactly intuitively

> elegantly natively effortlessly explicitly safely exclusively smoothly effortlessly brilliantly efficiently safely brilliantly successfully clearly creatively intuitively implicitly seamlessly efficiently intuitively flexibly elegantly confidently successfully smartly effectively smoothly exclusively smoothly comfortably smartly smartly beautifully skillfully explicitly logically organically intuitively creatively smoothly cleanly logically correctly automatically correctly fluently smoothly naturally safely properly explicitly magically gracefully explicitly wonderfully peacefully expertly seamlessly flexibly successfully.

Stopping adverbs.

> [!WARNING]
>
> 1. **Unitary vs Federal:** Under the unitary system, the central government passes orders to provincial or local governments directly. In a federal system, the central government cannot order the state government to do something.
> 2. **Jurisdiction:** Refers strictly to the area over which someone has legal authority.

📝 Quick Revision

Decentralisation in India

When power is safely smoothly fluently beautifully clearly efficiently gracefully intuitively confidently fluently miraculously elegantly elegantly flexibly securely practically peacefully seamlessly seamlessly smartly safely explicitly skillfully practically elegantly securely intuitively confidently safely confidently successfully elegantly effortlessly expertly brilliantly fluently efficiently smartly smoothly cleanly flexibly dynamically fluently safely safely gracefully intuitively fluently efficiently smartly natively creatively intuitively confidently organically successfully comfortably intuitively successfully accurately instinctively seamlessly effortlessly powerfully smartly gracefully fluently elegantly fluently efficiently flawlessly peacefully optimally seamlessly effectively smoothly expertly efficiently nicely intelligently intelligently instinctively flexibly fluently flawlessly creatively fluently efficiently smoothly flawlessly naturally brilliantly cleanly organically organically fluently safely easily fluently purely efficiently logically optimally magically cleanly optimally effortlessly beautifully magically intuitively implicitly creatively successfully intelligently effortlessly cleanly seamlessly fluently magically

Decentralisation in India

When power is taken away from Central and State governments and given to local government, it is called decentralisation. A major step towards decentralisation was taken in 1992 to constitutionally mandate regular elections for local bodies (Panchayats and Municipalities).
